

## Primary School Cycle/Scooter Parking Permit

### Cycling to School – Important Notice to Parents

While Crick Primary School wishes to encourage an increase in the number of pupils cycling to school, the decision as to whether your child is competent to negotiate such hazards as may present themselves on the route from home to school and back must be yours and yours alone. The school does not accept liability for any consequences of that decision.

If you wish your son/daughter to cycle/ride a scooter to school, please complete the form below. It is important that we know the numbers of children cycling/riding a scooter to school even on an irregular basis in order that we can make appropriate security and safety arrangements. This also applies if you will be accompanying your child.

Parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Please ensure that details are updated if any items change.

### Cycle Helmets

Pupils are strongly advised to wear a correctly fitted cycle helmet and use appropriate reflective clothing and bike lights when visibility is poor.

### Conditions for Cycling/Riding a Scooter to School

1. All bicycles must be in a roadworthy condition. All scooters must be safe to ride.
2. Cyclists and scooter users must ride sensibly and follow the Highway Code.
3. Approved cycle training must have been undertaken. Level 2 'Bikeability' required.
4. All bicycles/scooters must be locked securely in the storage area.
5. Cyclists and scooter riders must dismount when entering school grounds. No cycle/scooters may be ridden anywhere in school grounds.
6. In areas where there are pedestrians, priority must be given to these pedestrians.

Crick Primary School reserves the right to revoke this permit in the event that these conditions are ignored.
