#### From the staff room....

We will be saying a fond farewell to Mrs White at Easter. Mrs White has been teaching Y3/4 with Mrs Molyneux for the last year and a half. She has brought many creative ideas to our school for which we are very grateful. Mrs White will still be working in education. She writes for different educational organisations sharing her expertise and creative ideas as well as addressing colleagues at educational conferences. I would like to thank Mrs White for her hard work and commitment to Crick and wish her every success in the future. I'm quite sure she will continue to visit and work with our school!

### Bug Hotel: Help needed please

It has been suggested by one of the children that we make a bug house, similar to the accompanying photo. We will erect the first one at Millennium Wood, in view of the proposed new build on site.

We would like to collect the following items to equip the hotel with sufficient content to encourage visitors to take residence. If you have any of the following items or know anyone who could supply such items please contact Mrs Oldham.

Items required: engineering bricks, small terracotta pots, bamboo canes, elderflower branches, fir cones, hay/straw, roof tiles, corrugated card, plastic guttering and tubes.

### **WORLD BOOK DAY SUCCESS**

World Book Day was a huge success, and the children had a fantastic time wearing their pyjamas to school! Lots of lovely literacy activities were carried out in each class, and children of all ages read together. As a school, we wrote a story involving interesting objects that each teacher brought in. Mrs Neill read the whole school story in assembly at the end of the day, and we look forward to sharing it with you on the website! The children each have a £1 book token - these will be handed out on Monday. We would like to thank all those who donated to Book Aid. We raised £101 in total, meaning 50 books will be sent to Africa on our behalf.

### **RED NOSE DAY!**

Dear Parents/Carers,

On Friday 13<sup>th</sup> March 2015, we will be celebrating Red Nose Day as a school. The children are invited to come to school in non-uniform, wearing something red, and the theme for Red Nose Day this year is 'Make Your Face Funny for Money'. There are lots of creative ideas online at:

<http://www.rednoseday.com/>. All children have been given a sponsorship form to raise money for Comic Relief. We are all looking forward to seeing the children and staff with their funny faces!

Thank you in advance for your support,

Kind regards

Miss Z. Poole
