This week we had a visit from colleagues at the Local Authority who carried out a Monitoring Day which looks at how effective our school is. They observed lessons, looked at books, data and the learning environment. They talked to parents, pupils, senior leaders and Governors. I am delighted to tell you that they graded our school as 'Good'. Much of this is down to the wonderful children in our school and for that, you as parents deserve a huge thank you!

We also had our Parents' Evenings. Again, I received many positive comments. Ofsted have an online tool called Parent View which enables parents to leave their views about their child's school. It would be great if we could capture some of the positive comments on there as evidence of how satisfied you are with the school. Many thanks. Mrs Neill.
