Tennis

On Wednesday 3rd June, I took the tennis team, Fin N, Jake T, Amy H and Freya G to Roade Tennis Club to play in the Partnership Finals. They were 1 out of 11 schools competing. All the schools were split into two leagues and all played each other in their league. Crick finished 3rd in their league, only losing matches to the two teams who went through to the semi-finals; Nicholas Hawksmoor and Caroline Chisholm. The team from Crick played extremely well and I was very proud of the effort they all put into their games. There were some amazing rallies and some excellent serves! Well done to you all, you should be proud of your achievements. A big thank you also to the parents and grandparents who helped with transport and came to support the children, it is always very much appreciated.

Little Rotters Gardening Club/May Day

Thank you to everyone who supported the Little Rotters Gardening Club by donating books, knitting hedgehogs, manning the stall and visiting the stalls. Fortunately the stall was cleared and we are delighted to have raised £67.00 which we hope to give to a local hedgehog rescue home. We will update you further on this. Well Done Little Rotters for organising and sorting!

Mrs Oldham

BB Creative Arts Award

Children from Jupiter and Venus classes are proud winners of the 2015 'BB Creative Arts Award'.

This competition takes place annually with entries submitted from many primary schools across Northamptonshire. The competition aims to raise wider interest in the work of local artists and illustrators BB.

The competition judges were really impressed by the quality of the Crick entries- posters, paintings and clay models on theme 'Hedgehogs'.

Some of the models are on display in the entrance area together with the impressive trophy that was presented to us by Mrs Daphne Rusby, local representative of the BB Society.

Please note...

- Class photo orders must be returned to school by Friday 19th June.
- On Monday 15th June, the compound will go up and building work for the new classroom will begin. We thank you in advance for your support, and hope to keep disruption to a minimum.
