### Jubilee Wood

This week the children have had two lovely trips to Jubilee Wood and have made a bug hotel within the Wildlife Area. They found some minibeasts and have already moved them into the hotel. We hope you will visit and you are welcome to fill any gaps! On both days the children spotted many different types of butterflies and on Friday we watched a sparrowhawk hovering over the wood. We are grateful to Mrs. Davis and Mr Mortimer for helping us on both trips.

**Mrs Oldham**

The children are extremely proud of their completed bug hotel!
