PE / After school Club Kits

Can we ask that you please check your child has their PE kit in school ready for lessons and / or after school clubs.

We have recently subscribed to Purple Mash, which is a creative educational website for children. Purple Mash is a cross-curricular resource covering Art to Science and all subjects in between. Your child can access Purple Mash from home on a laptop, desktop or a tablet.

Purple Mash is a safe environment that does **not** require any downloading or allow interaction with people online and children **cannot** make any financial transactions. We will be encouraging the children to continue their learning at home and Purple Mash is a great resource for this. Your child will be taught how to use Purple Mash in school and will be able to use it without supervision, but you may want to take a few minutes to explore it yourself so that you can help them with their work.

Purple Mash will be replacing Reading Eggs and Mathletics allowing your child better access to a broader range of activities and topics. An e-mail with further information will be sent out to all parents including login details. If you are not subscribed to receive newsletters please ask the school for a paper copy.

E-Safety Parent Workshop-Thursday 5th May-3.45-4.45pm

During the week commencing 2nd May we will be planning an E-Safety Week in school in order to teach and highlight the importance of keeping safe on-line. As part of E-Safety week there will be an interactive workshop and presentation for parents and carers on ways to keep young people safe online. The session will last one hour and will include;

- The importance of being safe using social media
- Reporting online concerns
- Warning signs for online bullying, phishing emails and grooming
- Setting up parental controls and how to use them effectively
- Altering young people on the importance of inappropriate content on the internet and warning signs for people asking for inappropriate content and personal information.
- Information and guidance on your digital footprint.
- Guidance on using online gaming safely and being safe when using chat rooms

We hope you can join us for this workshop and look forward to seeing you.

Say Hello To Hockey

Saturday 7 May 9.30am to 12.00pm

If you'd love to give hockey a try, why not come along to the Princethorpe College 'Year 4 and 5 Say Hello To Hockey' Taster Session!

A morning of free hockey training on our astroturf, you'll learn new skills, make friends and have fun. Aimed at girls and boys, the morning will finish with a mini tournament, beginners most welcome!

For more information please contact:

Helen Morgan on 01926 634262 or email helenmorgan@princethorpe.co.uk
