STAR PUPIL OF THE WEEK

Our Star Pupils – 20th May:

Reception- Lucia
Y1- Roisin
Y2 – Robert
Y3- Charlie
Y4- Joshua
Y5- Oscar
Y6- Anthony

FOCS May Day Football Competition Winners

Well done to Harvey in KS1 and Lewis in KS2 who won the May Day football competition. Both boys received their prize of a football in celebration assembly today.

Uniform

We have been asked by a parent if girls can wear open toed sandals now the summer months are upon us. For safety reasons i.e. stubbed toes, we would advise against this.

Many thanks.

School Trips

If your child is going to Leicester Botanic Garden or Hunstanton next week, please remember to cancel their hot meal if you normally order one.

Year 3 & 4 Mini Red Tennis at West Haddon Tennis Club

On Tuesday we took part in the Northamptonshire Sport Mini Red Tennis competition for our cluster. We are pleased to report that our team of Connie, Hermione, Jake and Fin were victorious and go forward to represent our cluster in the District Finals on the 8th June. Well done team!

Bikeability Plus Try Out Day

On Wednesday we had our Bikeability Try Out day as part of the Northamptonshire County Council and Outspoken Training initiative set up to get us all cycling. Crick Primary School is taking part in a 6 week programme which includes balance bike sessions for Reception children, small group learn-to-ride sessions for non-riders and bicycle maintenance classes for the older children. There were lots of bikes to ride, some more fun than others and some for more than just one, and even a cycle powered juke box.

So let's see more of you cycling to school over the next few weeks and maybe we will win the whole school prize of a cycle powered cinema! Matt from Outspoken training will be in the playground every Wednesday morning to talk to parents and carers and answer any questions you may have. So – Get on your bikes and ride!

Year 3 & 4 Quicksticks Hockey District Finals at Caroline Chisholm School

Our Quicksticks Hockey team of Oliver, Shannon, Liam, Hermione and Fin played brilliantly on Thursday at the district finals of this year's competition. They won 3 out of 5 of the pool games, leaving them runners-up in the pool. This meant they played last year's champions Caroline Chisholm, who were also playing at home – no pressure! The whole team played superbly eventually losing 2-1; Caroline Chisholm went on to win the competition. We played Ashby Fields in the 3rd place play off, winning 1-0.

We were congratulated by a parent from Caroline Chisholm, who have a hockey coach and play weekly on the Astro-turf, on our sportsmanship and quality of players. The team were a real credit to the school and proved that teamwork and hard work pay off!

Year 3 & 4 Inter-house Football

Wow - what a fabulous tournament!

The Year 3 & 4 Inter-house football tournament took place this week with all houses represented very well with both boys and girls getting involved.

The eventual winners were Rabbits – with three wins out of three. Well done to you all.

Special thanks go out to the Year 6 guys and girls who helped out with the officiating and photography, it wouldn't have happened without you!

GOVERNOR BUSINESS

At the full Governing Body meeting on Monday, we were delighted to welcome two new members; Mr Steve Wright, Parent Governor, who was elected by parents in the recent ballot, and Mrs Alison Halstead, Co-opted Governor, who has been appointed by the Governing Body.

We look forward to working with each of them.

FOCS Safari Supper – 11th June 2016

FOCS would like to remind you to return your forms for the Safari Supper before Friday 27th May 2016.

Should you require further information, please email laura@intamarca.com or annienewton1@gmail.com.

School Wrap is a free-play, out of school, setting. We promote children's innate impulse to play and recognise that play is fundamental to the healthy development and wellbeing of individuals and communities.

As playworkers, we provide a healthy, safe environment and facilitate all areas of play process, including risky play, for all children.

We offer a light tea with water or milk as requested.

What have we been doing?

Trips to the park to test out the new Zip Wire. Football and Rounders are but a few games we have played outside making the most of the weather.

Arts and Crafts: we always ensure that there is a constant supply of paper planes, paints and tissue paper available.

What we will do:

Mini and mega beast hunts.

Starting our nature adventures with tracking skills and identifying creatures and plants in the local area.

We will be making the most of sunshine and be playing and finding adventures as much as possible!

With spaces available, please enquire at admin@schoolwrap.co.uk or 01327 842109 for the package options and book a taster session today!
