

Crick Primary School Newsletter

7th November 2016

It's a busy time of year in school, with Hallowe'en and Bonfire Night just having been celebrated, and poppies currently on sale at this time of Remembrance. We also have 'Bring Your Teddy to School' fundraising to look forward to for Children in Need, which takes place on Friday, 18th November.

Next week, we are planning some Anti-Bullying Week activities in school – both for the whole school and in classes. Children will be particularly reminded about the differences between actual bullying and falling out with your friends. The best way to remember this is 'S.T.O.P.' – when something happens 'Several Times on Purpose'. We will also be talking about how to stay safe online, as cyber-bullying can be very distressing.

Football Tournament

Last week some of our Year 1 and 2 children took part in a football tournament at Moulton School. They played brilliantly and finished in second place, guaranteeing a place in the finals later in the year. Well done!

Rugby Tournament

Our Year 5/6 Tag-rugby team recently took part in the Northamptonshire Sport. Daventry Schools Festival of Rugby. With 21 teams entered into the event, we were up against strong opposition from the beginning. We entered an 'A' team and a 'B' team in this event and with the valuable support and encouragement from the Northampton Saints coaching team were feeling confident we could achieve a good result. Both teams played some fantastic rugby and all players upheld the School

Games values in the true spirit of the event. Our 'A' team finished in a fantastic 3rd place narrowly missing out on the opportunity to represent the cluster in the district finals and our 'B' team (playing with only 6 members as opposed to the 8 required) came a very creditable 8th overall. Spirit of the Games awards went to Shannon for her determination and Oscar J for his self-belief. Well done everybody!

Parking

Keeping our children safe is paramount for us and as part of this we ask that you don't use the car park for dropping children off to school. I understand that it is the quickest option but please try to find an alternative parking space out of the school grounds and walk the last few steps. Thank you for your anticipated support with this.

FOCS

Ahead of this year's Christmas Fayre on Friday 2nd December, FOCs will be collecting chocolate and bottle donations to be used on the tombola stalls. We will be doing this via non-uniform days on the following dates:

Friday 18th November - Chocolate donations

Friday 25th November - Bottle donations

Thank you for your support.

Milk Bottles

Please could everyone start saving any 4 pint milk bottles (the clear ones if possible). Venus class would like to attempt to make a milk bottle igloo for their topic after Christmas and according to the internet it may take up to 400 bottles!
