

Crick Primary School Newsletter

27th February 2017

It's been a busy few days back with children going to Everdon, tag rugby tournaments and World Book Day coming up this week. The children had a brilliant time on their residential despite Doris who I understand 'didn't manage to knock us over Miss Lack'. I would like to thank Mrs Morris, Miss Simpson & Ms Herrington for giving up their time to take the year 4 children away; without them giving up their time we would not be able to offer such an important aspect of school life.

Dates for
the Diary:

Wednesday 29th March- Jupiter Open Afternoon 2.30pm-3.30pm

Friday 31st March- Saturn Class Assembly 3pm

KS2 Movie Night

Lights, camera, action! FOCS will be hosting the KS2 Movie Night on Friday March 10th in the school hall. We'll be watching The Jungle Book (PG rated). Doors open at 6pm with the film showing from 6.15-8pm. One of

FOCS' "just for fun" events, £2 per child (payable on the door) includes drink and a snack. Look out for fliers coming home in school bags.

World Book Day

On Thursday 2nd March as part of World Book Day we are inviting the children to come into school dressed as a character from a storybook. Mrs. Brennan and the other teachers are busily planning some activities for this day. All of the children will receive a £1 book token for them to spend at designated book shops.

Books!

Please do pop in to school this week (dates above) to have a look at your child's work before Parents Evening. The children would really enjoy sharing what they have been doing with you. Please come to the office at 3pm and sign in before you make your way to the classroom. We will ask you to leave the classroom just before the end of the school day so that we can get the children ready to pass to you on the playground. Thank you for the anticipated support with this.

Open Afternoons

Following on from these we would like to give you the opportunity to get a real flavour of what goes on in school! To this end, all of the teachers will be holding an Open afternoon this term. Each classroom will be open to you to visit on a specific day from 2.30pm-3.25pm. Please see the dates for each class on the previous page. All that we ask of you is that you turn off your mobile phone and please do not take any photos. Please come along and join in with some activities with your child. We look forward to seeing you.

Parents Evenings

These are being held on 14th & 16th March, please see diary dates for the timings. Appointment slots will be released on our online system, as before, later this week.

National Science Week

The week beginning 13th March is National Science Week and as part of this we have arranged for a scientist to visit the children. "Atomic Tom" will be in school on Friday 17th March to undertake some exciting experiments for & with the children. Pictures will follow!

Everdon

Well they all made it back! Although some of their belongings didn't! Mrs. Morris has a collection of items without owners, if you've 'misaid' an item then it may just be waiting for you here! Sorry about the delay in photos on Twitter. Mrs. Morris had to wait until she was out before posting pictures.

Tag Rugby

On Saturday some of our children took part in an Under7's Tag rugby event at the Saints ground. They then got to parade around the pitch at half time. Well done to Macey who was awarded Saints girl/boy of the tournament- brilliant! Thank you to the parents who braved the wind & rain to bring their child and to Mrs. Morris who gave up her Saturday to support our children.

Scooters

Can I just remind you that no scooters or bikes should be used in the school playground at the beginning or end of the day. If children or siblings are coming to school on their scooters then please remind them to alight before they get into the playground. Thank you for your co-operation with this.

Birthday Bellringers

Rufus, Finlay, George & William

Happy Birthday!

Star of the week- 24/2/17

Venus- Max W

Mars- Liam

Jupiter- Isabelle & Gracelyn

Year 3- Maisy

Year 5- Finlay

Year 6- Gabi
