

# Crick Primary School Newsletter

31<sup>st</sup> March 2017

Signs of spring seem to have started to arrive, children in the playground without coats, tadpoles in school, the first sightings of the newts in the pond and of course the sound of country dancing tunes and children practising their skipping wherever they go!

I hope that you all have a great Easter break and we will see you on Wednesday 19<sup>th</sup> April.

*Dates for  
the Diary:*

## Dates for the Diary

*Friday 31<sup>st</sup> March- Saturn Class Assembly 3pm*

*Friday 31<sup>st</sup> March- School closes for Easter*

*Wednesday 19<sup>th</sup> April- School re-opens for children*

*Monday 8<sup>th</sup> May- KS2 SAT's week*

*Saturday 13<sup>th</sup> May- School May Day celebrations from 12pm*

## E-Safety

On Thursday 29<sup>th</sup> April Simon Ashton from the Local Authority will be coming in for the day to hold some workshops with the children about how they can stay safer on the internet. I am sure that you will agree that it is important that the message about how to stay safe online is made clear to our children.

for the children to sell and for sending in your donations. It is brilliant to see the children thinking about and wanting to support others both in their country and in other countries. In the afternoon we held a talent show, following the 'make your laugh matter' theme! Well done to everyone who was brave enough to take part and to our winners...

## Red Nose Day

This year we raised £225 for Red Nose Day. Thank you to everyone who made cakes

### May Day

Our May Day celebrations are planned this year for Saturday 13<sup>th</sup> May and the dancing practise has begun! Thank you if you have already sent back your slip to indicate whether your child will be attending. If you haven't, then could I ask that these are back within the first week after Easter? It's very tricky to plan a dance if you don't know how many bodies you have to work with!

### Sport at Crick

Our archery squad gave a superb performance in the Northamptonshire Sport Arrows Archery competition recently, winning the tournament overall. This means they go through to the district finals to be held in July. Well done to all the team.

We also took part in a High Five Netball competition this week and came second overall. A great result- well done!

### Snacks

We have noticed that break time snacks are becoming larger. It may be that children are eating part of their lunch as a snack instead of the intended snack that has been packed for them. Could we please ask that you give your child a healthy snack to eat at break times? Thank you for your support with this.

### Head lice

It would appear that we have some unwelcome visitors in the hair department! Could we ask that you check your child's hair regularly as head lice can quickly be passed on from child to child?

### Bug Hotels!

As part of their topic next term Reception, Year 1 and 2 are going to make houses for bugs. If your child would like to collect items such as pine cones, leaves, twigs, etc for these or anything else that you think might be suitable then please collect these and bring them in after Easter.

### FOCS

Just a reminder that tickets for the Ladies Indulgence Evening are on sale now in the playground each morning. Tickets are £5 each.

### Birthday Bellringers

Roisin, Charlotte, Finlay R, Flo, Amy, Jemima.

Happy Birthday!
